- <https://www.facebook.com/kolejotavavltava>

For information about accommodation(hotel rooms also) and payment visit the Accommodation Office or send an email: kolej.jiznimesto@kam.cuni.cz

For serious troubles contact our dormitory manager: martina.dolejsi@kam.cuni.cz

If you need to store luggage, please email us : krotava@googlegroups.com

Basic rules of living here:

1. The gatehouse is a crucial place where you can obtain many keys to many rooms and stuff for your needs and personal development: laundry room, drying room, study room, gym, music room, table tennis, table football, bicycle shed, drying rack, iron, ironing board, vacuum cleaner etc.
2. If you want to accommodate a visitor for one or more nights, you can also arrange it at the gatehouse.
3. Loud noise between 22 and 6 o'clock is forbidden by law. You can have fun next door at the Blanica pub or at El Magico bar. Or you can go out and explore the famous Prague city nightlife. Don't forget to check night connections(subway, bus). Subway only goes until midnight.
4. Weed is forbidden by law. Smoking is possible ONLY IN SMOKING ROOMS or OUTSIDE!
5. Respect others and keep the room clean. It is your responsibility.
6. Exchange your dirty bed sheets in a laundry room (follow arrows in tunnels) on Monday and Thursday. Opened: 8-11:45, 13-15 o'clock.
7. Feel free to use our gym (buy a card at the room no. 124 for a reasonable fee), music/piano room, table tennis, etc. Respect the equipment and others!
8. Do you want to dance? No problem. The gym also includes a dance room for individual or group workouts.
9. Please return the washing machines, drying rooms and vacuum cleaners ASAP!! Others are waiting to use it. If you are not sure how to use it, ask for directions – better to be safe than break it. 😊
10. If anything doesn't work in your room (e.g. a lightbulb is broken), use the QR codes on your room entrance doors. For emergencies you can go to the reception desk and ask for their help.
11. If you want to accommodate someone in the hotel rooms of our dormitory, please contact the accommodation office.
12. If you want to coexist with your pet, please contact dormitory manager.
13. If you want to eat or are looking for the nearest ATM, the Volha dormitory is 500 meters away, and there you'll find both.
14. There are two bus options for transportation to/from the dormitory. Bus line 177 operates frequently from the Volha station (350 meters from the dormitory) to the Chodov station (metro station). Alternatively, there is a bus stop 'Koleje Jižní Město' behind the dormitory, where bus 203 runs.

Hope you will enjoy your stay!
