

Hey there! Welcome to Hostivař Dormitory!

My name is **Albert**, and I'm your Housing Assistant. Think of me as your go-to person for settling in and getting the most out of your time here in Prague. I'm here to help you feel at home from day one!

To get you started, here's the essential info you need, all in one place 😊

📌 **First Things First: Getting Help**

To solve your problems super fast, just remember this:

- 🙌 **For anything administrative** (reservations, payments, etc.), please contact the Accommodation Office directly: <https://kam.cuni.cz/KAMEN-55.html> / kolej.arealhostivar@kam.cuni.cz / +420 267 215 211
- 🛠️ **For technical problems** (a broken light bulb, etc.): Use the **QR code** in your room! You'll probably find it as a sticker attached to the door frame. Scanning it is the quickest way to report an issue, and our technician will come to fix it.
- 💬 **For everything else** (questions about life here, recommendations, or if you're just not sure): That's what I'm for! Contact **me (Albert)** 📌 <https://kam.cuni.cz/housingassistants>

🏠 **Your Room & The Dorm**

- Your new room comes with a bed, desk, chair, wardrobe, blanket, and pillow.
- **Bathrooms:** Your bathroom setup (private or shared on the floor) depends on the assigned building and room type.
- **Bed Linens:** Provided by the dorm, so no need to bring your own. Fresh sets can be picked up in the linen exchange room in **Building I** (follow the arrows on the walls or ask at the reception). Opening hours are posted on the door and in your building's basement: usually Wednesdays, 8–11 AM and 1–3 PM
- **Kitchens:** Each floor has a small kitchen with an electric hob. For a microwave and an electric kettle, just pop down to the area next to the reception. Please note: There is no cafeteria at the dormitory.
- **Laundry & Cleaning:** You can borrow a washing machine, dryer, vacuum, or iron from **the reception** for a small fee (around 50 CZK per use). **Please bring exact change** (coins) – the price list is posted on the reception desk glass. And be a good neighbour and **return everything quickly** when you're done!

🌳 Life in Hostivař: Authentic & Affordable

Let's be real: Hostivař is a residential neighborhood, not the historic center. The upside? It's quieter, more affordable, and you'll live like a true Prager.

- **Nature & Parks:** Right on our doorstep is a beautiful, large park – perfect for running, walking, or just chilling out.
- **Shopping:** You'll find grocery stores like Albert and Norma within easy reach. For a bigger shopping trip, the Vivo Hostivař shopping mall is just a short bus or tram ride away.
- **Transportation:** Getting around from Hostivař is super easy! Just a short walk away, you'll find **tram lines 22 and 26**, several bus stops, and the **Nádraží Hostivař train station**. A direct train will take you to Prague's Main Station in about 15 minutes. For unlimited, affordable travel across the whole city (trams, buses, metro, and trains within Prague), get yourself a **Lítačka long-term coupon** — it's your all-access pass to public transport:

🗨️ Quick House Rules

To keep our dorm comfortable for everyone, please follow these two key rules:

- 🌙 **Respect Quiet Hours** (10:00 PM - 6:00 AM): Let's make sure everyone can get a good night's sleep.
- 🚭 **Smoke Outside:** Please use the designated **outdoor** areas. Smoking is not permitted anywhere inside the buildings.

🎉 Study & Social Life

- **Feeling Social?** Book the common room next to the reception for your party! You can also check out a nearby pub in Hostivař.
- **Study Time?** Borrow the key from reception for a **quiet study room** (available in buildings like 6 and 10).
