
What is my price for accommodation?

What is your monthly accommodation fee and how much you should pay for accommodation?

Due to accommodation rules accommodation rate is set as daily rate. That means your total accommodation fee will vary each month depending on number of days in month.

i.e.: January accommodation fee will be calculated as: 31 days x daily accommodation price

Price vary due to lenght of your signed contract. We do have accommodation rate for shor stay up to 60 days, mid long stay up to 300 days and long term stay form more than 301 days.

Current price list of standard accommodation rate - dormitory fee you may find [here](#)

Price list of accommodation which will be valid from 1st February 2020 you may find [here](#)
