Check in procedure

Before your check-in at the dormitory please do the following:

1. Pay the dormitory fees online in the REHOS system or by transfer to a bank account (this will speed up the entire check-in process). Information on how to pay dormitory can be found here.

2. What to bring with you for check-in?
   - identity document - ID card (passport, visa, or long-term residence card for foreigners)
   - confirmation of study or confirmation of admission to university (can be additionally delivered by the end of September)
   - 1x ID card photo
   - cash or enough money on the payment card to pay the dormitory fee for the month of September and October (we prefer to pay online in advance, to speed up the check-in process)
   - student ID card (usually ISIC) - used, for example, to open the front door

If you do not check-in in at the dormitory within the deadline set for entering the dormitory, ie by 30 September, the reservation will be canceled and the long-term deposit will be forfeited. In justified cases, it is possible to arrange an alternative date for check-in in the dormitory with the accommodation office of the dormitory. The accommodation office is open during working days only, therefore if you are planning to arrive during the weekend, please do not hesitate to inform us via email. The email addresses of each accommodation office are here.
