## Schedule of accommodation and reservation for the year 2023/2024

Accommodation schedule at Charles University dormitories for the academic year 2023/2024

The full text of the schedule can be found here: [Schedule of accommodation and reservation for the year 2023/2024](#)

Extension of existing accommodation and reservation of accommodation for the year 2023/2024 for existing accommodation from 4.5.2023 - during this period it is only possible to book accommodation if you already live in the dormitories, if the dormitories are free - we recommend applicants study in the UK book accommodation only from 1 June 2023, a sufficient number of free beds are reserved for them during this period.

Accommodation reservations for Charles University students and applicants at Charles University from 1st of June 2023 - i.e. accommodation reservations for applicants to study at Charles University - the free capacity of all Charles University dormitories will be displayed for students during this period. There will be enough free beds for applicants to study in the UK so that every applicant for accommodation will be satisfied.

Start of application submission for foreign students with a visa requirement - study department (reservation to the KaM central reservation department) for the reserved accommodation capacity from 4.5.2023

Start of activity of the evaluation system (hereinafter "HS"), the start of submission of electronic applications from 6.6.2023
